OPEN CALL FOR GREENFEST @ BAYFEST VENDORS

MARINE CORPS BASE HAWAII, Kaneohe Bay, May 20, 2011 – Marine Corps Community Services (MCCS) invites vendors to reserve an exhibitor booth at the inaugural GreenFest @ BayFest Expo, held July 15-17 inside Hangar 101 aboard Marine Corps Base (MCB) Hawaii. This eco-village will include products and demonstrations that help make our world a little greener, from sustainable solutions for the home or office to organic samples and the latest product information.

GreenFest is aligned with MCB Hawaii's command goals of energy conservation, resource reduction and sustainability initiatives. Companies that are not historically "green" are welcome to participate by coming up with a green theme for their booth. Exhibitor booths are available in single (8'x10'), double (8'x20') or triple size (8'x30').

To reserve a booth or for other sponsorship opportunities, contact MCCS Sponsorship and Advertising Coordinator Kathy Molitor at (808) 254-7651 or molitorka@usmc-mcc.org. Deadline to reserve space is June 30, 2011.

BayFest is an annual event hosted by MCCS and MCB Hawaii and is open to the public. BayFest draws an average of 35,000 people annually, a mixture of civilians and military. The three-day music and family fun festival will include performances by Cecilio & Kapono, Puddle of Mudd, Hoobastank and Joe Nichols and feature E.K. Fernandez carnival rides and midway, fireworks, competitions, food and military displays.

MCCS provides morale, welfare and recreation programs and services which attribute to readiness and retention of Marines, Sailors and family members stationed aboard MCB Hawaii. Proceeds from this and other MCCS events are reinvested into quality of life programs at MCB Hawaii. For more information about MCCS, visit MCCSHawaii.com.
